T&C: Check SCMS

Pastikan para MT melakukan pengecekan Sesi Interaktif di SCMS dengan ketentuan sebagai berikut:

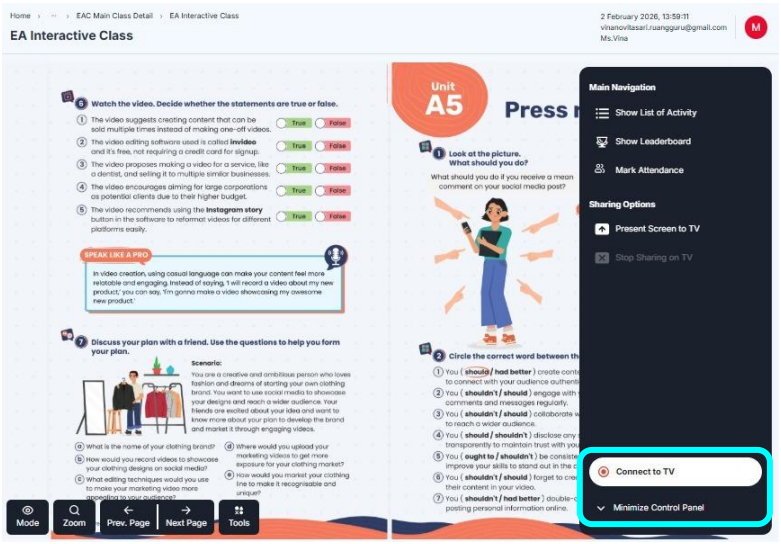

1. Waktu Pengecekan:

➡ Minimal H-2 jam sebelum kelas dimulai.

2. Aspek Pengecekan:

➡ Topik & Subtopik: Pastikan opsi topik dan subtopik sudah muncul dan bisa dipilih dengan benar.

➡ Interactive Class: Pastikan tombol " Open Control Panel " berfungsi dengan aman (sampai bisa terlihat Main Navigation dan Sharing Options seperti di gambar bawah)

Jika ditemukan kendala pada poin topik atau panel kontrol, segera infokan ke Admin agar bisa segera dibuatkan card sesi yang baru.

PENTING:

Mohon kerjasamanya untuk tidak melaporkan sesi error secara mendadak atau terlalu dekat dengan waktu mulai kelas, agar tim admin memiliki waktu yang cukup untuk proses pembuatan card sesi baru.

T&C: EAC Tablets

EAC Tablets for Interactive EA SmartApp Sessions

EAC Tablet tidak perlu mengaktifkan Parental Controls, namun ada poin-poin penting yang perlu diperhatikan saat MT memakai Tablet SmartApp di kelas:

1. **Penggunaan tablet terbatas.** Tablet hanya boleh digunakan oleh student selama kegiatan SmartApp di dalam kelas.
2. **Hindari gangguan (distraksi).** Student tidak diperbolehkan memegang tablet saat kegiatan SmartApp tidak berlangsung. Ini untuk mencegah student terdistraksi dan menggunakan tablet di luar kegiatan SmartApp.
3. **Dilarang install aplikasi lain.** Staff EAC & student dilarang memasang aplikasi apa pun pada tablet.
